

2007 Earned Income Credit (EIC) Table

Caution. This is not a tax table.

1. To find your credit, read down the "At least - But less than" columns and find the line that includes the amount you were told to look up from your EIC Worksheet.

2. Then, go to the column that includes your filing status and the number of qualifying children you have. Enter the credit from that column on your EIC Worksheet.

Example. If your filing status is single, you have one qualifying child, and the amount you are looking up from your EIC Worksheet is \$2,455, you would enter \$842.

If the amount you are looking up from the worksheet is—		And your filing status is—		
		No children	One child	Two children
At least	But less than	Your credit is—		
2,400	2,450	186	825	970
2,450	2,500	189	842	990

If the amount you are looking up from the worksheet is—		And your filing status is—					
		Single, head of household, or qualifying widow(er) and you have—			Married filing jointly and you have—		
		No children	One child	Two children	No children	One child	Two children
At least	But less than	Your credit is—			Your credit is—

(Continued on page 58)

*If the amount you are looking up from the worksheet is at least \$33,200 (\$35,200 if married filing jointly) but less than \$33,241 (\$35,241 if married filing jointly), your credit is \$3. Otherwise, you cannot take the credit.

**If the amount you are looking up from the worksheet is at least \$37,750 but less than \$37,783, your credit is \$4. Otherwise, you cannot take the credit.

2007 Earned Income Credit (EIC) Table—Continued

tions apply and you complete Form 8379. For details, use TeleTax topic 203 (see page 79) or see Form 8379.

Lines 74a Through 74d

DIRECT DEPOSIT

Simple. Safe. Secure.

Fast Refunds! Choose direct deposit—a fast, simple, safe, secure way to have your refund deposited automatically to your checking or savings account, including an individual retirement arrangement (IRA). See the information about IRAs on page 60.

Why Use Direct Deposit?

- You get your refund faster by direct deposit than you do by check.
- Payment is more secure. There is no check that can get lost or stolen.
- It is more convenient. You do not have to make a trip to the bank to deposit your check.
- It saves tax dollars. It costs the government less to refund by direct deposit.

If you want us to directly deposit the amount shown on line 74a to your checking or savings account, including an IRA, at a bank or other financial institution (such as a mutual fund, brokerage firm, or credit union) in the United States:

- Check the box on line 74a and attach Form 8888 if you want to split the direct deposit of your refund among two or three accounts, or
- Complete lines 74b through 74d if you want your refund deposited to only one account.

Otherwise, we will send you a check.

Note. If you do not want your refund directly deposited to your account, do not check the box on line 74a. Draw a line through the boxes on lines 74b and 74d.

*The IRS is not responsible for a lost refund if you enter the wrong account information. Check with your financial institution to get the **correct** routing and account numbers and to make sure your direct deposit will be accepted. Do not use the routing number on a deposit slip if it is different from the routing number on your checks.*

If you file a joint return and check the box on line 74a and attach Form 8888 or fill in lines 74b through 74d, your spouse may get at least part of the refund.

If the direct deposit to your account(s) is different from the amount you expected, you will receive an explanation in the mail

Line 67

Excess Social Security and Tier 1 RRTA Tax Withheld

If you, or your spouse if filing a joint return, had more than one employer for 2007 and total wages of more than \$97,500, too much social security or tier 1 railroad retirement (RRTA) tax may have been withheld. You can take a credit on this line for the amount withheld in excess of \$6,045. But if any one employer withheld more than \$6,045, you cannot claim the excess on your return. The employer should adjust the tax for you. If the employer does not adjust the overcollection, you can file a claim for refund using Form 843. Figure this amount separately for you and your spouse.

You cannot claim a refund for excess tier 2 RRTA tax on Form 1040. Instead, use Form 843.

For more details, see Pub. 505.

Line 68

Additional Child Tax Credit

What Is the Additional Child Tax Credit?

This credit is for certain people who have at least one qualifying child as defined in the instructions for line 6c on page 15. The additional child tax credit may give you a refund even if you do not owe any tax.

Two Steps To Take the Additional Child Tax Credit!

Step 1. Be sure you figured the amount, if any, of your child tax credit. See the instructions for line 52 that begin on page 39.

Step 2. Read the TIP at the end of your Child Tax Credit Worksheet. Use Form 8812 to see if you can take the additional child tax credit, but only if you meet the condition given in that TIP.

Line 69

Amount Paid With Request for Extension To File

If you filed Form 4868 to get an automatic extension of time to file Form 1040, enter any amount you paid with that form or by electronic funds withdrawal or credit card. If you paid by credit card, do not include on line 69 the convenience fee you were charged. Also, include any amounts paid with Form 2350.

Line 70

Check the box(es) on line 70 to report any credit from Form 2439, 4136, or 8885.

Line 71

Refundable Credit for Prior Year Minimum Tax

If you have an unused minimum tax credit carryforward from 2004, you may be able to claim at least part of it as a refundable credit. Enter on line 71 the amount, if any, from Form 8801, line 27.

Refund

Line 73

Amount Overpaid

If line 73 is under \$1, we will send a refund only on written request.

If you want to check the status of your refund, please wait at least 6 weeks (3 weeks if you filed electronically) from the date you filed your return to do so. But if you filed Form 8379 with your return, allow 14 weeks (11 weeks if you filed electronically). See page 79 for details.

If the amount you overpaid is large, you may want to decrease the amount of income tax withheld from your pay by filing a new Form W-4. See Income Tax Withholding and Estimated Tax Payments for 2008 on page 76.

Refund Offset

If you owe past-due federal tax, state income tax, child support, spousal support, or certain federal nontax debts, such as student loans, all or part of the overpayment on line 73 may be used (offset) to pay the past-due amount. Offsets for federal taxes are made by the IRS. All other offsets are made by the Treasury Department's Financial Management Service (FMS). For federal tax offsets, you will receive a notice from the IRS. For all other offsets, you will receive a notice from FMS. To find out if you may have an offset or if you have any questions about it, contact the agency to which you owe the debt.

Injured Spouse

If you file a joint return and your spouse has not paid past-due federal tax, state income tax, child support, spousal support, or a federal nontax debt, such as a student loan, part or all of the overpayment on line 73 may be used (offset) to pay the past-due amount. But your part of the overpayment may be refunded to you if certain condi-
